Memory Care

Our beautiful Memory Care Gardens is located in a secured part of our community and includes an open-concept living and tv room, dining room, activities room, three seasons room and enclosed courtyard. Each resident enjoys a studio suite apartment with private bathroom and walk-in shower. Security features are in place to provide peace of mind and each resident is encouraged to individualize their apartment with their personal possessions. A busy activities schedule is also provided daily for residents. We offer all-inclusive rates with a variety of floor plans available.
